

Return God's gifts with increase

*"They all gave out of their wealth;
but she, out of poverty, put in
everything—all she had to live on."*

—Jesus, Mark 12:44

KEY WORDS: **TRUST / FAITH**

Failure to be generous—whether with money, time or talent—is not due to a lack of resources, but to a lack of faith. People have the confidence to act when they have faith that they will be cared for.

WHOSE ARE YOU?

Receive God's Gifts with Gratitude

*“Unless I wash you,
you have no part with me.”*

—Jesus, John 13:8

KEY WORDS: **ABUNDANCE / GRATITUDE**

Receiving is humbling and puts us directly into relationship with the giver. Receiving transforms us and forms us for service to others through gratitude.

Cultivate God's gifts responsibly

*“Well done, good
and faithful servant!”*

—Jesus, Matthew 25:21

KEY WORDS: **DISCERNMENT / CALLING**

Responsible stewards must identify their gifts and figure out how best to use them in the service of the world.

Share God's gifts lovingly and in justice with others

*“Whatever you did for one of the
least of these brothers and sisters
of mine, you did for me.”*

—Jesus, Matthew 25:40

KEY WORDS: **IDENTITY / GENEROSITY**

Sharing with others is much more about who—and whose—we are, than about what we do. Christian stewardship is a state of being; it is about our identity in Christ.
